INNO

A name of quality and pleasing design

INNO

A name of quality and pleasing design

INNO Ceramitec Sdn. Bhd. commenced the production of "INNO" branded Vitreous China sanitarywares in the year 1997.

Over the years, We have successfully built up a team of talents and competent workforce who are the energetic drivers to improve everything we do, these include customer service excellence, quality and yield enhancment ,technological advancement in production processes, product and operation innovation. By the year 2002, the company was award ISO 9001.2000

Today, INNO branded sanitarywares are well known throughout the whole Malaysia,. Our products, which are certified by SIRIM, are manufactured to highest possible quality, durability, easiness for cleaning and flushing efficiency. The principles of conciseness and yet richness are instilled into our product designs for creating a healthy and comfort lifestyle.We are the only one of the sanitaryware manufacturers to serve our customers by door to door fast delivery using our own fleet of trucks.

We are completely dedicated to quality of customer services, products and processes as the central thrust to delight our customers.
